*Instilling hope and healing*

***Have you ever dreamed of a practice at the beach?***

## **Coastal Samaritan Counseling Center**

**Position:** Staff Therapist

**Location:** Horry (Myrtle Beach) and Georgetown Counties in Coastal South Carolina

Seeking experienced clinical social workers (LISW-CP), licensed professional counselors (LPC), or marriage and family therapists (LMFT) who are licensed to practice independently in SC for full or part time positions.

Coastal Samaritan Counseling Center (CSCC) is an established accredited non-profit, 501(c) (3), pastoral outpatient mental health practice that provides services throughout Horry and Georgetown counties. CSCC fosters hope and healing through professional counseling, education, and consultation while respecting and integrating the personal and spiritual values of the client.

CSCC is committed to blending the benefits of solo practice with the benefits of group practice. We sustain a workplace environment that is characterized by promoting a healthy and balanced lifestyle, healthy relationships among staff, and a commitment to supervision to promote personal, spiritual, and professional growth and development of the staff.

All overhead expenses are paid by CSCC including furnished office space, administrative support, insurance verification and billing, voice-mail, professional liability insurance, etc. Compensation is based upon years of experience.
